Active Lawn Seed Demand Anticipated for Fall Sowing

An unusually heavy demand for lawn mixtures for reseeding is looked for this Fall owing to extensive drouth damage to lawns this Summer. It will pay you to have in stock a complete line of *quality lawn grass mixtures*.

Dickinson's lawn grass mixtures are composed of the finest domestic and imported turf grasses, correctly blended to ensure the best permanent green lawns, and are carefully recleaned to reduce the weed and chaff content to a minimum.

Markets unsettled. Prices for new crop grasses not firmly established, but if you will advise on attached business reply card quantities, packing, and time of shipment wanted, will be pleased to quote firm prices.

In Mixed Car Shipments Save You Money on Your Freight Charges

Globe Feeds and Pine Tree Seeds can all be utilized in making up the minimum weight of a mixed carload shipment to certain shipping points. The respective carload freight rates apply on each commodity in the car. Write to us for full particulars concerning your shipping point.

Many merchants buy some seed from one point, feed from another point and pay local freight charges on each shipment. Combining orders and concentrating on Globe Feeds and Pine Tree Seeds has meant a big saving to many merchants. Possibly the same plan would be beneficial to you.
